Subject: **NABL -Continuation of accreditation**

Dear Sir,

NABL pleased to inform you of the continuation of accreditation in accordance with ISO/IEC 17025: 2017 in the disciplines of Electro-Technical, Mechanical and Thermal Calibration as per the existing scope.

NABL advised the lab the following :

Laboratory to cover all agenda points as per Clause 8.9.2 of ISO/IEC 17025: 2017 in future MRM

You shall refer to & follow NABL 133 for using of NABL Symbol. You must fulfill all the terms and conditions as mentioned in NABL 131. You are required to satisfactorily comply with NABL requirements for maintaining accreditation.

The accreditation certificate no. CC-2236 with issue date 05/07/2019 and valid till 07/07/2021 and extended up to 04/07/2022 for Electro-Technical, Mechanical and Thermal Calibration. The certificate is under the preparation stage and the certificate will be issued to you as soon as possible.

You have to submit the completed application for renewal of accreditation six months prior to the expiry of accreditation and also agree to undergo assessment as per the schedule proposed by NABL to maintain continuity in the accreditation cycle. Application submitted after the expiry of accreditation will be considered as a fresh application. Treat this letter as a reminder for the renewal of accreditation.

Yours Sincerely,
Ashish Kakran
